Earth Class

Reading

Log into Oxford Owl and choose an eBook to read.

Username: Fishwick earth class

Password: earth

and/or

Read a story book that you have at home. Encourage the use of phonics when reading words.

Writing

I wonder... can you draw a treasure map? Write instruction labels for where the treasure could be found.

Can you think of some words that begin with 'p' and write them down.

Maths

Number hunt - finding missing numbers to make 10. Hide 10 items (tins, toys etc,) around the house and give your child 1 minute to find them. Count how many items have been found and then ask them how many more need to be found to make to starting number of 10. This can be adapted with more items or less time to find the items.

Get Creative

Construction Challenge - Use some old boxes, packaging and other materials. Can you create a treasure chest, telescope, sword or even a parrot?

Design a pirates treasure map (see writing activity), Remember to have land and sea on your map or you may want to draw your bedroom on the map.

PSHE & Life Skills

Fingers crossed we will continue to have some good weather. Discuss the importance of staying safe in the sun and when playing near water.

Draw sunshine pictures and talk about happy memories.

Get Active

Cosmic Kids Yoga

Popcorn and the Pirates

Practise your catching skills. Can you catch a small ball using two hands, with one hand behind your back, balancing and standing on one leg?

Science

Can you test different things to see if they float or sink? Can you make a pirate ship that floats? You could use junk modelling or play dough or anything else that you can think of.

**Play Live on Education City
Friday at 2pm ☺**

Don't forget to...

Water your plant and measure how much it has grown.

Practise writing your name and the day of the week.

Check Education City and Purple Mash for weekly challenges.

Please e-mail any photographs to me for the weekly collage.
