

Home Learning Grid - Summer Term 2 - Week 2 - Under the sea

Earth Class

Reading

Log into Oxford Owl and choose an eBook to read.
Username: Fishwick earth class
Password: earth

and/or

Read a story book that you have at home. Encourage the use of phonics when reading words.

and/or

Listen to Commotion in the Ocean
www.youtube.com/watch?v=9pRhqZ8Jffs

Writing

Draw pictures of sea creatures and write a sentence about it.
 This could then form an information booklet.

Remember to encourage the use of phonics to write words or a simple sentence.

Maths

Counting backwards - This week focus on counting backwards from 20 or whatever number your child can count forwards to. You could count objects or jumping or fish in an aquarium. Counting can take place anytime, anywhere ☺

and/or

Numberblocks - Cbeebies
 Choose an episode to support your child's counting.

Get Creative

Construction Challenge
 Can you build a junk model sea creature or an aquarium? Perhaps make a jellyfish using a paper dish and paper streamers.

and/or

Using an empty plastic bottle you could create an underwater sensory bottle. Add some water and glitter and pictures of fish which have been covered with cello tape to stop the water ruining them.

and/or

Watch Let's Play Scuba Diver and pretend to be a scuba diver with Sid and Rebecca
www.youtube.com/watch?v=Mufuz3s6hOQ

Science

Research together what creatures live under the sea? You could focus on fish, whales or sharks and find out where in the sea they live, what they eat and how bog they grow.

and/or

What fish can you see in the aquarium?

Get Active

Cosmic Kids Yoga - Under the Sea
www.youtube.com/watch?v=qC83oFEeVZA
and/or
 Running on the Spot Start by running on the spot. A grown-up will shout out different commands e.g. 'faster' or 'slower'. Listen to the command and change your speed.

PSHE & Life Skills

Imagine you have found a magic shell. You have one wish. Draw a picture to show what you would wish for and talk about it with somebody in your home.
and/or
 Talk about plastic pollution and the impact it is having on our oceans.

Don't forget to...

Water your plant and measure how much it has grown.
 Practise writing your name and the day of the week.
 Share stories and encourage reading of words they are confident with.
 Check Education City and Purple Mash for weekly challenges.

Please e-mail any photographs to me for the weekly collage.
