

FUNDED NURSERY & CHILDMINDER PLACES!

All 3 and 4 year olds are entitled to a minimum of 15 hours childcare a week, paid for by the government - and some 2 year olds are too.

Come and find out about funded places at local nurseries and childminders for your 2, 3 or 4 year old to help them to **PLAY, LEARN & GROW.**

OPEN MORNING

We'll be running a session for you and your child, and advisors will be on hand to help you discover what support is available for your family (please bring your National Insurance number with you so that we can check this).

Just come along or call 01772 539420 for more information.

Don't miss out on support your child is entitled to!
