Wednesday 19<sup>th</sup> April 2023

Dear Parents/Carers,

Welcome back, I hope you all had a good break. I can't quite believe it is the Summer Term already but we seem to have come back to the sunshine so long may it continue.

## **Playgrounds**

Many of you will have noticed that we have virtually finished our playground re-model. We are sure that the children will enjoy playing on the new equipment and markings this summer. Well done to the school council and the rest of the school community for their efforts in fundraising towards this project.

## **Staffing**

Next week we will sadly be saying goodbye to Mrs Ali as she moves on to an exciting new job. Mrs Ali has worked at Fishwick for over 13 years and has made a massive difference to hundreds of children. I know you will join me in thanking her for her hard work during her time at Fishwick and wish her all the best for the future.

## **The Coronation**

The staff and children will have a Coronation Celebration Lunch on Friday 5<sup>th</sup> May, prior to the extra Bank Holiday on Monday 8<sup>th</sup> May, to celebrate the Coronation of King Charles III. We also have a commemorative gift for the children to keep which they will be given on the day.

## **Industrial Action**

As there has been no agreement between the Government and Teaching Unions, at this point, there are two more planned days of strike action. These will take place on;

- Thursday 27<sup>th</sup> April 2023
- Tuesday 2<sup>nd</sup> May 2023

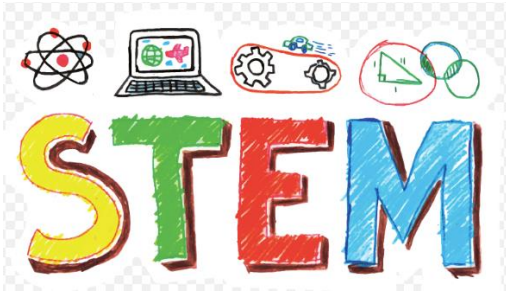

Unfortunately, unless things change, Fishwick will be closed to all children on these days.

## **Belongings**

Please make sure that you have named all your children's belongings to help us reunite lost property with its owner – thanks for your help in this matter.

## STEM Week

This year we are holding a STEM week in school (Science Technology, Engineering and Maths) this will be a fantastic, hands on week due to start Monday 15th May.

We have many exciting things planned for this week including fun and creative opportunities for our children to become STEM investigators.

### Class Assemblies

Earth Class – Wednesday 17<sup>th</sup> May 2023 at 2.45pm

Mars Class – Wednesday 24<sup>th</sup> May 2023 at 2.45pm

Parents welcome 😊

Thank you, as always, for your support

*Mrs V Conway*
