

A decorative border made of small globe icons, each showing a different view of the Earth, surrounding the text.

Earth Class News

Wow what a busy week! It was Globetrotters week and we were learning about Africa and our class country was Egypt. Ask your child what they know about Africa!

We had visitors in to teach us African Drumming (as you can tell from the pictures it was very loud!) and African Dancing. We had lots of fun.

In class we explored an interactive globe to find England and Africa. We made Pyramids out of playdoh and went on an imaginary trip down the River Nile.

Our sounds this week g, o, c, k.

Have a lovely half term!
