

A decorative border of small globe icons, each showing a different view of the Earth, surrounds the text. The globes are arranged in a rectangular frame with an inner border and an outer border.

Earth Class News

We have had a lovely, busy start to Autumn 2. We have been reading Room on the Broom, the special new words we have learned are grinned, cloak and search – see if your child can show you the sign for each one. We had a spooky week making our own potions and designing our own dream broomsticks, our favourite design included an Amazon Alexa (Scarlett W) a bookshelf (Clayton) and a fancy-dress drawer (Marnie.)

We learned about a famous artist named Kandinsky. He painted lots of shapes including circles and triangles. This fitted nicely in with our maths – see if your child can tell you how many sides a triangle has.

Next week we will be reading and writing some firework poetry. Homework (optional) If you hear or see any fireworks this weekend can you describe them and send me some words, e.g. they popped, crackled, sparkled, fizzed.

Sounds we have learned this week ck, e, u, 'ck' is a digraph – two letters that make one sound.

Have a lovely weekend!

Circle hunt!

Making triangles!
