

A decorative border of small globe icons, each showing a different view of the Earth, surrounds the text. The globes are arranged in a rectangular frame, with one row at the top, one at the bottom, and vertical columns on the left and right sides.

Earth Class News

This week we have carried on learning about Diwali and other celebrations. We made our own shadow puppets and a puppet theatre and used this to retell the story of Rama and Sita. We learned about Mehndi and had a go at our own designs. We learned how to write a card and wrote one to our family.

[LITTLE GLOW](#)  [Katie Sahota | Read aloud #storyoftheweek - YouTube](#)

We read the story 'Little Glow' and we talked about how we all celebrate in different ways. The children continued this discussion in their play as they pretended to have parties and wrote each other invitations.

As well as all our planned activities we also take children's interests and ideas into account – a majority of the children wanted to make a 'nail salon' so we set this up in our role play shed. We wrote appointment times, carefully painted the nails and paid for them, lots of learning opportunities and a bargain as the children decided it was only '5 pounds for nails but 7 pounds for rainbow nails.'

We learned ff and ll and noticed how these digraphs come at the end of words.

Have a lovely weekend!
