

Earth Class News

What a busy week! We have had lots of fun learning about Bonfire Night. We learned about Guy Fawkes and the Gunpowder Plot and had fun acting out a simple version of the story. We made bonfire biscuits and decorated them, we used our phonics to read the recipe and put it into the correct order. We also learned a song about fireworks and used musical instruments.

We have had lots of other bonfire and firework themed crafts out in the classroom and we have been really impressed with the children's creativity and imagination.

Our special book at the end of the day has been the Gruffalo, our special words were sped, jaws and feast. See if your child can show you the actions for these words.

In Maths we have been learning to subitise, this means saying 'how many' without counting. See if you can subitise this weekend and send me a picture!

Our sounds this week; h, r, b.

Have a lovely weekend!
