

A decorative border of small globe icons, each showing a different view of the Earth, surrounds the text. The globes are arranged in a rectangular frame, with the top and bottom rows being complete, and the left and right sides having a gap at the top and bottom respectively.

Earth Class News

Welcome back! We hope you all had a lovely half term. We enjoyed hearing what the children have been doing over the holidays!

This week we have been reading Handa's Surprise. We talked about the fruit in the story and did some observational drawings. We coloured them using pastels and blended the colours carefully with a cotton bud.

We acted out the story – the cheeky animals pinched the fruit from Handa's basket – see the pictures!

We are recapping all our sounds ready to move onto new sounds next week. Some children now have two reading books, one with their current sound and one with sounds they are more familiar with.

Have a lovely weekend!
