

A decorative border made of small globe icons, each showing a different view of the Earth, surrounding the text.

Earth Class News

This week was National Storytelling week. We had a fun week visiting different teachers for a different story each day. We made up lots of stories using a story spinner and our own characters. We watched famous authors tell their own stories on YouTube.

We also learned the story of the three little pigs and did some drama pretending to be the different characters. Next week we will learn the story by heart with actions.

In maths we have been learning about odd and even, see if your children can remember what this means.

We are learning sh, th, qu, ch and ng in phonics.
