

Earth Class News

It has been MADD week in school (music, art, drama and dance.) We have been learning all about the 90's, we had so much fun.

We had some visitors that taught us 90's dance routines and a song. Some of us were brave enough to sing in front of the whole class on our own! We all had lots of fun and joined in.

We learned all about 90's TV and how life was different, the children were very interested in learning about cassette players, CD players and Game Boys. We designed our own Game Boy games and cartoons.

Have a lovely break and Eid Mubarak to those who celebrate. Please send Mrs King any pictures of your celebrations.
